Smart Start Early Learning Center: Kindergarten - Parent/Tuition Contract

I _____ understand that I have enrolled my child/children _____ in a Smart Start Early Learning Center program. I understand that **this is a ten-month program** at a yearly tuition rate of \$3,500.00. Smart Start is able to operate its private, nonprofit school because parents commit to enroll their child/children for the entire school year. This rate includes the required Kindergarten Kick-off Session scheduled for prior to the official start of school (dates to be scheduled for each student). Students will have the opportunity to acclimate to the kindergarten environment and teacher, and this session will also allow the teacher to individually assess each student.

Please choose and initial ONE payment option below.

- _____ Smart Start ELC will accept the full \$3,500.00 less a \$50.00 discount for payment in full by August 20, 2019.
- _____ Smart Start ELC will accept two equal payments of \$1,750.00. First payment is due by August 20, 2019. The second payment will be less a \$25.00 discount for payment received by January 20, 2020.
- _____ Smart Start ELC will accept 10 equal payments of \$350.00 to be paid by the 20th of each month starting August 2019 and ending May 2020, regardless of the number of days school is in session from September to June.

Please read and initial the following statements (continued on the back).

- _____ My child's spot in a Smart Start ELC program is reserved once the non-refundable registration fee of \$75.00 (new Smart Start student) or \$40.00 (returning Smart Start student) is paid in full.
- _____ If I have more than one child enrolled in a Smart Start program during the same academic year, my account will be credited \$40.00 per additional child enrolled. This is the only multiple-child discount available at Smart Start ELC.
- _____ Payment is due to Smart Start ELC on or before the 20th of each month based on the payment option chosen.
- _____ Payment received after the 27th of the month will incur a \$15.00 late fee and applied to my account.
- _____ Payment returned for non-sufficient funds will incur a \$25.00 fee and applied to my account.
- _____ If my child is picked up late from his/her Smart Start class, I understand that a \$5.00 late fee will be applied to my account for each incident.

Under certain circumstances, Smart Start Early Learning Center understands that a child may need to be removed from a Smart Start ELC program prior to school starting or during the school year.

_____ I understand that a 30-day written notice must be given to Smart Start ELC if my child must be withdrawn from Smart Start ELC and understand that I am financially responsible for that period.

_____ I understand that if the 30-day written notice is not received, the full year's tuition will be billed to my account, and I agree to pay the remaining balance in full. Additionally, I understand that each case will be evaluated individually, and Smart Start ELC retains the right to determine if the full year's tuition must be paid in the event a child must be withdrawn from any Smart Start program.
