Dear Parent,

Welcome to Smart Start Early Learning Center, and thank you for considering enrolling your child for the 2020-21 school year. Smart Start Early Learning Center is a private, nonprofit preschool program, currently serving 144 students, ages 2½ to 6. Our center is dedicated to meeting children where they are and then guiding them to develop strong physical, intellectual, and emotional foundations.

We are pleased to announce that we will soon be accepting enrollment paperwork for all of our programs: Jump Start to Preschool, Preschool, and half-day Kindergarten. **If you would like to enroll your child for the 2020-21 school year, completed registration packets will be accepted from families new to Smart Start beginning Monday, March 2, 2020.** Please plan to drop-off your registration materials or mail to the address above at your earliest convenience beginning March 2, 2020. **However, please note that we do anticipate classes will fill quickly, and spots are available on a first-come, first-served basis.**

Please complete the steps below to best ensure that you secure the desired class session for your child at Smart Start ELC for the 2020-21 school year. Thank you for allowing Smart Start ELC the opportunity to be a part of your child's early development and education—a privilege and a responsibility we embrace wholeheartedly. We are all extremely excited to begin this journey with your child and family as we plan for the upcoming school year. Please contact us if you have any questions or concerns.

Sincerely,

Smart Start Early Learning Center
